Pass the Thames Estuary, a haven for wildlife and shore birds. Take a short detour to nearby Miranda (well sign posted) to see the large flocks of godwits and oystercatchers. Arriving into the old gold mining town of Thames, there are two different routes to the east coast of the Coromandel. Directly over the Coromandel Ranges will deliver you to the coast in a snappy 45 minutes or if you're after more leisurely route, head North to the Coromandel Township along the Pohutukawa Coast (part of the Pacific Coast Highway). This is one of the most spectacular drives in the region and not to be missed. Continue down the coast to arrive in the picturesque town of Whitianga.

SUGGESTED ACTIVITY - Driving Creek Railway & Potteries - EyeFull Tower Tour

Driving Creek Railway and Potteries has become a Coromandel icon. The dream of Barry Brickell was to establish a pottery workshop on his land. Using a railway he would have access to the clay on the land and the pine kiln fuel. Over the next 15 years the railway developed until in 1990 it was finally licensed to carry fare paying passengers and ever since thousands of visitors have made the trip to Coromandel to experience this unique attraction. The 1 hour return train trip on the innovatively designed trains takes you through replanted native kauri forest and includes 2 spirals, 3 short tunnels, 5 reversing points and several large viaducts as it climbs up to the mountain-top terminus. The pottery is still producing and you can watch the artists at work as well as purchase items.
