Day 19

Explore Franz Josef

Franz Josef is a small but lively town in the heart of the West Coast, known for its 12 km long glacier. Surrounded by lush rainforest-clad mountains the township has a vibrant and bustling atmosphere. To see the ice from a viewpoint you can walk along the valley floor to the viewpoint below the terminal face. However, to go on the glacier itself you must take a licensed helicopter tour.

SUGGESTED ACTIVITY - Twin Glacier Scenic Helicopter Flight with The Helicopter Line

Take a spectacular scenic flight over two of New Zealand's most famous glaciers. Land at the head of one and view the incredible sight of this frozen river as it winds its way through ancient carved valleys. Should weather not be suitable to take this flight you are able to transfer your booking onto a similar tour on any of the Helicopter Line's operations in Queenstown or Mt Cook.

Day 20

Whataroa is the next town where you can see one of the world's rarest birds, the New Zealand white heron or Kotuku nest at the Waitangi Roto Nature Reserve, and guided tours from October to March will take you there.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact, Ross is still home to one of the few working gold mines left in New Zealand and the local information center offers you the chance to pan for gold.

Hokitika is a great place to explore craft and gift stores and head to the coast and take in the endless sea views. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. The Hokitika Gorge is located 45 minutes inland and offers turquoise waters flowing through a narrow gorge. A great short walk will deliver you to this piece of paradise.
